6th grade Summer Reading Assignment

2020 - 2021

Dear Incoming Sixth Graders,

Because we feel that reading is such an important part of your educational and personal development, you are going to be **required to read one book that is IN YOUR LEXILE or AR range**. Then, you **MUST complete the READING RESPONSE PAGE on the third page of this packet**. Please choose a book you **have not read before** and one that is within your lexile level (found on your MAP scores) or AR level. **If you are unable to access books, you may read a book you have read before.** You are responsible for getting a copy of this book from either the school media center, online or a bookstore. **If you want to have some fun, and have access to books this summer, feel free to complete one of the challenges that are also here**. There are a lot of fun ones!

In September, I will ask each of you to turn in the reading response and whatever challenge(s) you did in order to receive a prize. Prizes may include merits, extra credit on a test/quiz, or a night off of reading. **Please make sure your name is on the paper to ensure that you get your prize and credit for your assignment.**

This will be due **Friday, September 4, 2020.** You may turn it in on the first day of school if you get it done early! **Please DO NOT share it with me as a google doc, you must print it ON YOUR OWN.**

Enjoy your summer reading!
Have a wonderful summer and I'll see you in September!

Sincerely,
Miss Willemsen

If you are new to ECMS, and do not know your reading lexile level, please just choose a book from the provided link (see page 2 beneath the heading "To check the LEVEL"). Can't wait to get to know you!

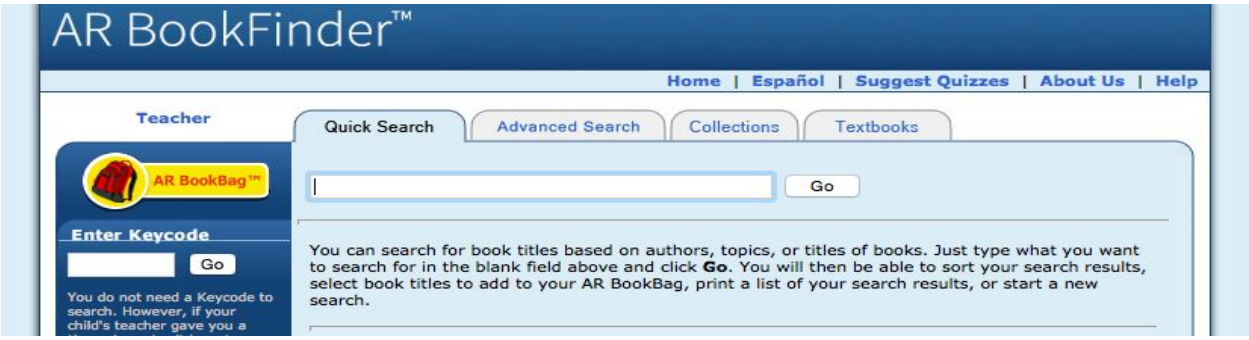
Choose your book . . . but WAIT!

Check to make sure it is in your level!

To check the LEVEL:

GO TO: http://www.arbookfind.com

1. Type in the name of the book you are interested in.
2. Click "Go"
3. You will see the letters BL, or ATOS book level, or AR level with a number. That number indicates the AR level.



OR check out the lexile!

1. **GO TO:** https://lexile.com/fab
2. In the top search bar, type in the name of the book.
3. Click "Search"
4. You will see the lexile of that book in the green circle.
